

2127

This attractive office shredder is especially suitable for larger work groups. The convenient insertion width of 260 mm, many automatic functions in connection with the innovative control element EASY-SWITCH as well as the high volume for the shredded material ist perfect, if several persons have to share a centralised shredder.

EBA 2127 S | C

SPS – (Safety Protection System) package: patented, electronically controlled, transparent safety flap in the feed opening as additional safety element; EASY-SWITCH – intelligent control element indicating the operational status of the shredder with varying colour codes and back-lit symbols; automatic reverse and power cut-off (avoids paper jams); automatic stop if the shred bin is full; electronic door protection via a magnetic proximity switch; double motor protection against overheating; ZERO ENERGY CONSUMPTION: complete, automatic disconnection from power supply after 30 minutes. Automatic start / stop via a photo cell in the feed opening. High-quality paper clip proof cutting shafts from special hardened steel. Lifetime guarantee on the cutting shafts. Strip cut model and 4 x 40 mm cross cut model suitable for safe shredding of the most common CDs and DVDs. Quiet but powerful 580 Watt single phase motor. High-quality wooden cabinet with a cabinet volume of 100 litres. Movable on castors. Environmentally-friendly shred bin with 75 litres volume for the shreds (no disposable shred bags required). Attractive colour combination silver / dark grey. Quality "Made in Germany".

Robust and durable: High-quality paper clip proof cutting shafts from special hardened steel. Lifetime guarantee on the cutting shafts under conditions of fair wear and tear.

EASY-SWITCH: intelligent multifunction switch element with integrated optical signals for the operational status of the shredder.

The convenient 260 mm insertion width allows easy feeding of A4 continuous forms with tractor feed margins.

This shredder features a lightweight shred bin made of unbreakable plastic, which guarantees an easy and clean removal of the full bin.
